IIT/AIIMS - PROGRAMME 2023

INTRODUCTION

As we all know we are now passing through unprecedented times. With the entire Globe weathering COVID 19, we are in uncharted territory. Humanity has of course seen other seismic events, but something as novel as this pandemic cannot be described easily. During this unprecedented times, Brilliant Study Centre has definite plans to conduct Medical Engineering coaching classes and we have already proved that our ongoing online classes are very effective. We are happy to announce that we have well defined definite plans for entrance coaching during the Post COVID period which are more comprehensive than the coaching during the Pre COVID period.

Brilliant Study Centre proudly announces two year integrated programmes in medical and engineering stream - for those who are studying in Class X during the academic year 2020-'21 and are eager to become super-achievers.

IIT/AIIMS batches are designed as an excellent group of students with high ambition, potentialities and ready to work hard. By providing good academic support, periodic test papers, evaluations and remedy measures, we ensure that the students could give optimum output. Brilliant assures the parents and students that entrance coaching of the highest quality will be given to these batches, thereby enabling the students to contribute towards professional excellence.

AIIMS & NEET BATCHES: These batches are intended for students who wish to appear for NEET. Even though these programmes enable the students to excel in all the above entrance tests, our prime objective is nothing but AIIMS.

IIT (JEE ADVANCED) BATCH: It is a target-cum-foundation course for students who wish to pursue studies in IIT / NIT / IISER / IIST / BITS and other national institutes of excellence. It also gives weightage to state level examinations. Even though these programmes enable the students to excel in all the above entrance tests, our prime objective is nothing but JEE (Main & Advanced).

BATCH DESCRIPTION: The IIT/AIIMS 2023 batches are designed as Regular/hybrid batches both as a combination of Online and Class Room modes. A highlight of these batches is that after class X students can take admission in a school near their domicile. The brilliant classes will be conducted at our centres near school without having any clash with the school schedule. Most of the topics will be covered through classroom mode (provided we have permission from government to do so). Test papers doubt clearance etc. will be conducted through online also. **There are two types of coaching programmes namely Regular batch & Hybrid batch for IIT/AIIMS programme.**

ADMISSION PROCEDURE:

The admission to IIT / AIIMS batches is based on a series of screening cum scholarship test of which the first one will be held on **April**

SCREENING TEST

MODE OF EXAMINATION **ONLINE ONLY** (AT HOME)

- A common screening test will be conducted for IIT/AIIMS Batches
- Question paper has two parts. Part-1 contains objective type multiple choices (MCQ). Part-2 contains numerical answer (Each question has an answer which is a number with one/two/three digits). Incorrect answers will be penalised.
- The screening cum scholarship test will not be considered as a scholarship test if we are not able to conduct it in various centers (offline / online) under the direct invigilation of the Brilliant personnel.
- Since the test in online mode without the direct invigilation of Brilliant, it will only be a selection test. Students secured score above cut-off marks will have an online interview, after which the selection list will be published. A separate scholarship test will be conducted for the selected students. The date & syllabus of the scholarship test will be announced later.
- The final selection list will be prepared based on the marks obtained in the screening test and the score in interview.
- The scholarship test will be conducted later and if you wish to write the scholarship test at an abroad centre, the fee fixed at that time has to be remitted, the details of which will be intimated later.
- As we all know we are passing through unprecedented times. Hence in case of any unforeseen situation, the Brilliant Study Centre has absolute right to postpone and or cancel the test scheduled for **April**

RESULTS

- Selection list will be published on "www.brilliantpala.org " within SIX days after the screening test
- Date of interview will be informed personally
- Screening test is common for IIT and AIIMS batches.
- A common rank list will be published for AIIMS/IIT batches.
- Those students who are included in the rank list can select either the IIT batch or the AIIMS batch, based on their ranks.
- In case of a tie, ie., when two or more candidates obtain equal marks inter-se merit of such candidates shall be decided in the following order:
- Higher rank will be assigned to the candidate who has obtained higher marks in Mathematics. If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Physics. If there is a tie even after this, candidates will be assigned the same rank.

ORIENTATION PROGRAMME

There will be an orientation programme after the publication of the Rank List. If the Government policy is congenial for conducting public meetings there will be offline orientation programme. Otherwise the orientation programme is on online mode. In case of offline orientation programme every student whose name figure in Merit list together with his/her parent/ Guardian/ or a person authorized by the parent should attend an orientation programme. Participation of students in the orientation programme is highly advisable but not compulsory. The details regarding the admission will be explained during the orientation programme. The time and date of the orientation programme will be published in the web site and intimation will be given to candidates selected.

SCHOLARSHIPS

We announce fabulous scholarship schemes based on the screening tests and / or scholarship test to motivate and reward meritorious students as well as to assist financially deserving.

- Scholarships will be awarded based on the online & offline screening tests or based on a separate scholarship test.
- If the screening test is used only for selection purpose separate scholarship test will be conducted at the time decided by the Brilliant Study Centre, the syllabus of which will be announced later.
- Only those who continue their study in our centres are eligible for scholarship
- All scholarships are applicable for the academic sessions 2021-2022 & 2022-2023
- During the first year the scholarship scheme is common for IIT and AIIMS programmes and it is based on the screening and / or scholarship tests. During second year separate scholarship schemes will be announced for IIT and AIIMS programmes based on promotion cum scholarship test.
