Report of Brilliant Study Centre, Pala for the Year 2006-07

Introduction:

The Brilliant Study Centre, the *numero uno* among the innumerable entrance coaching centers in the state was established in 1984 as an institute for providing tuition to the Pre- Degree and Degree students. From 1986 onwards it has been functioning as an Entrance Coaching Centre that provides coaching for Medical and Engineering Entrance Examinations at state and national levels. Coaching for IIT - Joint entrance examination is also given to our students. It is situated at Mutholy in Mutholy Grama Panchayat, Meenachil Taluk, Kottayam District.

Our Institution has regional centers at Kanjirapally and Chaganacherry. Each regional center is at the direct control of a Director and the expertise of the Brilliant Faculty, Library facility are available in each center.

Courses of Study:

The Brillinat Study Centre offers the following courses

a. Repeaters Course: This is an entrance coaching programme meant for students who have passed class XII and its duration is one year. There are classes on all days from Monday to Friday.

b. Long Term Batch (Two Year): This entrance coaching programme is meant for students who have passed class X and are studying in Class XI. The classes are on Sundays and vacations and its duration is 2 years.

c. Long Term Batch (One Year): It is meant for students who have completed class XI and studying in class XII. The classes are on Sunday and vacations.

d. Crash Course: This is an entrance coaching programme of duration one month and it is for the students who have completed class XII.

Students and Faculty

The total number of students on rolls during 2006-07 is 5443. The Brillinat Study Centre is situated in a rural area and most of the students studying here hails from rural areas. They belong to Hindu, Christian and Muslim religions. The Brilliant Study Centre has an eminent faculty which includes professors retired from various colleges in Kerala. There were two more additions each in the departments of Physics and Chemistry. The total number of staff in the department of Physics is 14, in the department of Chemistry is 16, in the department of Mathematics is 11, in the department of Zoology is 5 and in the department of Botany is 8.

Infra-structure:

WE have amazing infrastructure facilities, a narration of which is given below.

a. Building: The Brilliant Study Centre is housed in a four-storied building having 47 classrooms each having an area of 625 sq ft. In addition to 47 classrooms there are 4 staff rooms, director's room, Computer room, Office etc.

b. Library: Our library provides the student the cutting edge advantage to knowledge Our Library has 2 sections viz (1) Reference Library and (2) General Library . The library has now a collection of more than 20,000 books

c. Bus Service; There are two buses of our own which are plying to various destinations from Brilliant Study Centre for the convenience of our students.

d. Hostel Facility: Brilliant study center does not have hostels of its own. But, there are hostels for Boys and Girls under our direct control and supervision with respect to admission, discipline, etc.

Mode of imparting Entrance Coaching

- a) **Class room coaching:** Classes start at 9 am and continue up to 4 pm. Coaching in every subject is given through elegant lecture by eminent teachers with the help of audio – visual aids and printed notes. The Brilliant Brain Bank, a book prepared by the Brilliant faculty provides an exhaustive no. of questions which are strictly in the pattern of state and national level Med/ Engineering entrance examinations.
- b) **Test papers and assignments :** Apart from the Multiple Choice Type Test Papers, Examinations of descriptive type are also held every week to enable our students for state and national level entrance examinations.
- c) **Performance Report:** Performance report of test papers are sent to the parents/guardians every week through the student. After a set of Examinations computerized performance report will be sent to parents either by post or by e-mail.
- d) **e-learning:** We have made available a number of electronic facilities including round the clock Broadband Internet to promote learning. On-line facilities are available for submitting applications for various state and national level entrance exams and for registering options.
- e) **Tutorial System:** Each class is put under the direct control of a tutor who interacts with parents on a regular basis and apprises them the general performance of the student.
- f) **Counseling and Motivation Classes:** Facilities are available for giving regular counseling to those who need it.

Results of the year:

As usual during the year 2006-07 also we have very good results both for Medical and Engineering Entrance Examinations.

In the year 2007 a total of 5443 students appeared for Kerala Medical/Engineering Entrance Examinations from this Institution. Out of 5443 students, the rank details of only 4111 students are available with us and an analysis of which is given below.

As per the LAST RANK details published by the Govt. of Kerala all students whose ranks are within 5000 in the state level got admission to some medical or related course to the Govt Seats in Govt and / Aided institutions. If this is taken as a criterion, it can be seen that the number of students who got admission to Govt. Medical seats in 2007 from this institution is 975.

Also as per the LAST RANK details published by the Govt. of Kerala all students whose ranks are within 25000 in the state level got admission to some Engineering course in the Govt. and /or Aided Colleges. If this is taken as a criterion, it can be seen that the number of students who got admission to Govt. Engineering seats in 2007 from this institution is 1985

Thus the total number of students who got admission to various Medical and Engg. seats in 2007 from Brilliant Study Centre is 2960. This is out of total of 5443 students and hence the percentage of students who got admission in 2007 is 72 %. This percentage has been calculated based on the total number of students whose ranks are available with us.

Top Ranks:

The following are the top state level ranks obtained during the year 2007

<u>Name of Exam</u>	<u>Rank</u>	<u>Name of Student</u>
Kerala Medical Entrance	State Second	ARUN V
Kerala Medical Entrance	State Fourth	RAHUL PRADEEP
Kerala Medical Entrance	State First (scheduled cast)	ANJU K.S
Kerala Medical Entrance	State First(scheduled tribe)	ASHNA S

The numbers of students of Brilliant Study Centre whose ranks are within the first 1000 in the state level during 2007 under both Med and Engineering streams is 535 . It shows that at an average 17% of the rank holders in the entire state whose ranks are between 1 and 1000 are from Brilliant Study Centre. Whithin a short span of time the Brilliant has proved to be the apt launching pad for IIT aspirants. The IIT-JEE coaching in our institution is the best in the field. In 2007, twenty three students of Brilliant Study Centre got selected to various IITs and 46 of our students got selected to IIST& IISER..

Co-curricular Activities:

Brilliant study center is an institution that provides intensive coaching for Medical / Engineering Entrance Examinations. Our courses are of short durations and the students and teachers are busy with classes and examinations . Hence there is not much scope for co-curricular activities. Yet religious and national festivals are celebrated in a befitting manner this year also

Conclusion:

It is most respectfully submitted that Brilliant Study Centre has made remarkable achievements during 2006-07. The realization that we are now standing on higher ground than at the beginning of the year is indeed very reassuring and it will certainly inspire us to move still greater heights.
