

**LONG TERM 2022 - TWO YEAR ONLINE CLASS**  
**GENERAL INSTRUCTIONS**

1. New Online batches for Engineering and Medical stream will commence on **October 28th Wednesday 2020.**
2. Students may make use of Desktop, PC, Laptop, Tab, Smart Phones etc. for the online classes.
3. Please ensure stable internet service before the commencement of the classes.
4. If possible, make use of a headset, so that the classes will be more clear and audible.
5. There will be live classes and recorded classes as well. Mobile number of teachers will be attached to clarify your doubts, if any.
6. Each classes may have 1.30 Hrs duration and later on it may be extended.
7. Classes are available through the website <https://brilliantpalalearn.com>. You may login by using your User ID (Student ID) and password.  
**User ID (Sudent ID) - Six digit number obtained at the one time registration.**  
**Password is unique for each student, which will be intimated through SMS**  
**Classes will start at 9.00am with the message from the Director of Brilliant study centre Pala, followed by the online classes as per the given schedule.**
8. Class schedule, Class notes and Studymaterials will be uploaded along with the class in the above website in 'document section'.
9. Students may download NCERT TEXT Book - Class XI - Physics, Chemistry, Maths/Biology beforehand.
10. Follow the exact time schedule for the live classes.
11. Recorded classes will be available for 24 Hrs in our site and thereafter it will be deleted.
12. Engineering stream – Physics, Chemistry & Mathematics  
Medical stream – Physics, Chemistry & Biology will be dealt in detail.
13. There will be Online exam, after the completion of each chapter.
