Instructions

Please read the instructions carefully

General Instructions:

1. Total duration of examination is 2:00:00 hours.
2. The clock will be set at the server. The countdown timer in the top right corner of screen will display the remaining time available for you to complete the examination. When the timer reaches zero, the examination will end by itself. You will not be required to end or submit your examination.
3. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:
 - 1 You have not visited the question yet.
 - 3 You have not answered the question.
 - 5 You have answered the question.
 - 7 You have NOT answered the question, but have marked the question for review.
 - 9 You have answered the question, but marked it for review.The Marked for Review status for a question simply indicates that you would like to look at that question again. If a question is answered and Marked for Review, your answer for that question will be considered in the evaluation.
4. You can click on the "*" arrow which appears to the left of question palette to collapse the question palette thereby maximizing the question window. To view the question palette again, you can click on "+*" which appears on the right side of question window.

I am ready to begin
