INTRODUCTION

Brilliant Study Centre proudly announces two year integrated programmes in medical and engineering stream - for those who are studying in Class X during the academic year 2022-23 and are eager to become super-achievers.

IIT/AIIMS batches are designed as an excellent group of students with high ambition, potentialities and ready to work hard. By providing good academic support, periodic test papers, evaluations and remedy measures, we ensure that the students could give optimum output. Brilliant assures the parents and students that entrance coaching of the highest quality will be given to these batches, thereby enabling the students to contribute towards professional excellence.

AIIMS & NEET BATCHES: These batches are intended for students who wish to appear for NEET. Even though these programmes enable the students to excel in all the above entrance tests, our prime objective is nothing but AIIMS.

IIT (JEE ADVANCED) BATCH: It is a target-cum-foundation course for students who wish to pursue studies in IIT / NIT / IISER / IIST / BITS and other national institutes of excellence. It also gives weightage to state level examinations. Even though these programmes enable the students to excel in all the above entrance tests, our prime objective is nothing but IIT.

BATCH DESCRIPTION:

The IIT/AIIMS 2024 batches are designed as Regular/hybrid batches both as a combination of Online and Class Room modes. A highlight of these batches is that after class X students can take admission in a school near their domicile. The brilliant classes will be conducted at our centres near school without having any clash with the school schedule. Most of the topics will be covered through classroom mode (provided we have permission from government to do so). Test papers doubt clearance etc. will be conducted through online also. **There are two types of coaching programmes namely Regular batch & Hybrid batch for IIT/AIIMS programme.**
