“JOIN US AND DISCOVER THE THRILL OF COMPETITIONS”

One of the Globe's premiums Entrances Coaching Institute, Brilliant Study Centre Pala has driven new face of thinking in academics by promoting and introducing Brilliant Olympiad Champ.

Much like the Olympics in sports, the Olympiads are celebration of the very best in school level Science and Mathematics. It is managed by leading academic experts and aimed for making students ready to face any challenges in future at young age. BOC helps to identify student's capability and real potential that navigate them to the top in the high in entrance and competitive examinations. Olympiads always motivate the students to endeavour for deeper and better understanding of facts and concepts to enhance their reasoning, analytical and problem solving skills.

Olympiads are not merely competitions but they are the meeting places of young brilliants and many friendships forged at the Olympiads form the seeds of scientific collaboration later in life.

THE SCIENCE OF TODAY IS THE TECHNOLOGY OF TOMORROW...

Why OLYMPIAD?

- Olympiad examinations help to identify a student's capability and real potential that may support and survive better in today's modern competitive world.
- Prepares them for future competitive exams by testing a student's aptitude as well as the knowledge of a particular subject
- It helps them to explore and work upon their weaknesses throughout the exam.
- Provides exposure to students at the national as well as international platforms.
- Many students have zero clues as to what are their strengths, or what are they good at or weak? This exam aids them to adventure on their academic skills and capability skills.

Students' performance in school is also improved. Olympiads sharpen their thinking and learning process which helps them to grasp the concepts taught in schools better.
