ABOUT US A PROFILE

Brilliant Study Centre, the numero uno among the innumerable entrance coaching centres in the state, was established in 1984 and ever since its inception it has been providing excellent coaching for various Medical and Engineering Entrance Examinations.

Our VISION is to grow beyond leaps and bounds as an institution of par excellence in the arena of entrance coaching and to improvise everything required for boosting and enlightening the endeavour of students to attain scholastic excellence and for successfully facing any competition with impeccable impunity.

Our MISSION is to perspire for the augmentation of the aspiration of even the average students to climb the pinnacle with utmost diligence and maximum dexterity. This institution with the motto "Chiselling the brilliants" continue to be the leading provider of entrance coaching programmes of the highest quality to those students who have the potential and motivation to become professionals who will be able to contribute towards professional excellence.

We thank Almighty for having bestowed on us the credit of a proven record of highest ranks in entrance examinations, both at the state and national levels, apart from producing a galaxy of winners.

PROGRAMME FOCUS & OBJECTIVES

Brilliant Study Centre, Pala, proudly announces one-year programme JEE Advanced (IIT) 2017 - a target-cum-foundation course for students who wish to mould their career in IIT / NIT / IISER / IIST / BITS and other National Institutes. This target-oriented and most exhaustive learning programme is a unique venture of the Brilliant Study Centre, Pala. We are utilizing the expertise of the leading JEE Advanced (IIT) coaching centre ALLEN, Kota, Rajasthan. The effective course plan and interactive updated notes as per the latest pattern are fool-proof methods to guarantee success in JEE Advanced (IIT) through providing proper guidance and enhancing comprehensive skill and analytical ability. It will ignite excellence and elevate the aspirant to IIT level so that he/she can come out with spectacular performance in 2017 JEE Advanced.

Brilliant is consistently following to nurture the capable students hailing from financially weaker backgrounds to achieve their goal of success and top ranks in IIT-JEE and other competitive exams with scholarships/fee waiving. This is a support for meritorious and deserving students with free hostel accommodation

MAJOR FEATURES

- ▶ **Brilliant's Repeaters programme** for JEE Main & Advanced is unique as it ensure the best possible result depending upon the basic potential of the student and his/her ability to work hard.
- ▶ **The methodology developed by us** followed in our class rooms lays emphasis on imbibing fundamental concepts in Maths, Physics and Chemistry and on sharpening their analytical skills and paralled thinking process.
- ▶ **We believe in the fundamentals** of truth, transparency and commitment so that the dream and aspirations come true for students.
- ▶ **Right mix of classes, problem solving and doubt clearing sessions** supplemented with in-depth and PATTERN PROOF study material
- ▶ **Assignments and students' performance evaluation**
- ▶ **On each chapter, students are given Chapter Practice Problems (Level-I)** which they have to attempt and submit along with the completion of each chapter. These solutions will be checked by the faculty and are returned to the students with remarks & suggestions.
- ▶ **Regular Tests & Feedback**
- ▶ **ELITE Test for A+**
- ▶ **Model paper after Onam & Christmas vacation**
- ▶ **Cumulative Tests** which are supplemented with Test Analysis Sessions.
- ▶ **Concept wise testing** and tracking the level of students.
- ▶ **Attendance and Test Performance** after every phase is sent to the parents.
- ▶ **Dedicated academic operation team** provides feedback at any point of time apart from scheduled Parent-Teachers meetings.
- ▶ **After the completion of the syllabus, a schedule of model exam** upto the last week of May is provided.
- ▶ **Medium of studies : English and Malayalam together**
- ▶ **Approximately 1000 hours of classroom teaching**
- ▶ **Regular doubt clearing session** both in the campus and hostel
- ▶ **Discussion classes** after every exam

Canteen

For the convenience of students and the staff, a canteen is functioning in the campus from 7.00 am to 8.00 pm catering to the needs of the students with affordable delicious food items.

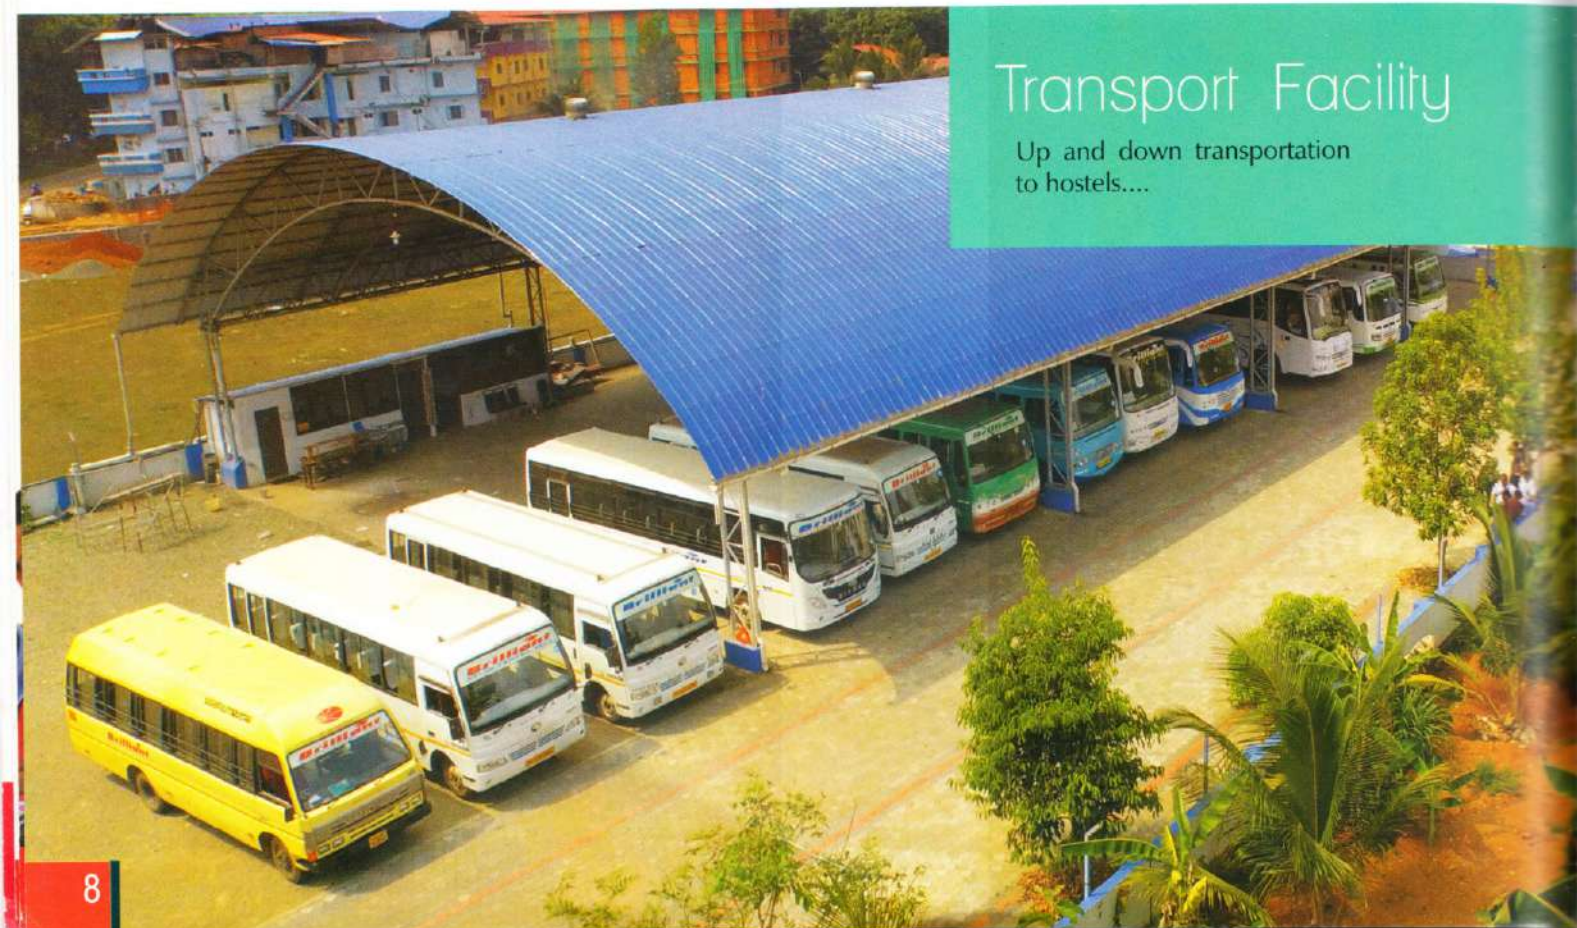

Banking

The South Indian Bank operates an extension counter with ATM facility (Two counter) in the campus for the convenience of staff and students.

Transport Facility

Up and down transportation to hostels....

Marigold Residency

Hostel Facility

At present there are 3 hostels for Boys and one hostel for girls. A congenial atmosphere for studies are maintained in each hostel. All amenities required for the students are provided in all the hostels. IIT-Library facilities are attached to each hostel so that they can utilise the library properly during the studyhours. Boy students can avail AC rooms if required on payment of extra charges

Blue Bells Residency

Puthumana Apartments

St. Peters Hostel

LIBRARY

The library provides the students the cutting edge advantage to knowledge. There are separate libraries in each Campus having wide collection of more than 50,000 books. Web and e-mail based library services is being envisaged. The brilliant libraries which may be the best of their kind have three sections.

Separate IIT Library is functioning in the campus. It is opened to our students from 8.00 am to 8.00 pm including Sundays and comprises adequate number of books and periodicals in the subject of maths, physics and chemistry.

General Library

The best and latest volumes in every subjects are available in the general library. This is open on all days from 8.00 am to 8.30pm and students can avail up to three books at a time.

Reference Library

Hundreds of rare books, latest journals - National and international and classic works in every subject are available in this library. It opens in the early morning and closes only in the late evening.

GEMS OF BRILLIANT

APRAISAL OF STUDENTS

Being a student at "Brilliant" made my 'impossible' dream as an 'I M POSSIBLE' dream!

Albin Jose George
JEE Advanced AIR - 196
Joined in IIT Bombay - Mechanical Engineering

I am Albin Jose George, a student of Brilliant Study Centre Repeaters programme 2014. I have greatly improved in my subjects since I joined Brilliant.

The teachers at Brilliant were very helpful and they frequently cleared all our doubts. They also motivated us so that we could give our best at the time of exam. Their method of teaching was excellent and so, we could understand everything.

The hostel condition was very good and the atmosphere in the hostel was very much suited for studying. I would sincerely like to thank the faculty at Brilliant for literally holding my hands throughout the term.

With Brilliant's constant guidance I have been able to clear competitive exams like JEE Advanced, JEE Main, BITS, IIST, NISER etc.

I recommend all my juniors to join Brilliant as it helped me a lot. Thank you.

Albin Jose George. Albin

Nithin G K
JEE Advanced AIR - 454
Joined in IIT Madras -
Electrical & Electronics Engineering

I am Nithin G.K. a student of Brilliant Study Centre Repeaters Programme 2015. I have greatly improved in my subjects since I joined Brilliant. The faculty at Brilliant were really helpful and companionate. They strengthened my concepts and always cleared my doubts. They constantly motivated me to improve upon my weaknesses. The healthy competition among the students encouraged me to push my limits.

The study material provided was also really good. It covered all the important areas and also some thought provoking questions. Model exams after each chapter and the elite batch questionnaires really helped me to check my preparations. The JEE advanced model exams at the end really gave me a good idea about the JEE exam pattern.

Nithin G.K. Nithin

Thank you.

APRAISAL OF STUDENTS

Akhil Krishna R

JEE Advanced AIR - 538

Joined in IIT Madras - Electrical & Electronics Engineering

I am Akhil Krishna, I was a student of Brilliant study centre, Pala. Brilliant study centre has done a brilliant job in hosting my confidence by conducting appropriate test series in JEE pattern and helped me to check JEE Advanced. The lectures conducted helped me build my basics strong enough to achieve my goal. The faculties of the Institute supported and helped me a lot. They were really supportive, that is all one needed to check JEE and Brilliant has got the right blend of it. The hostel facilities provided by the Institute gave me the perfect atmosphere for very preparation at the end of my journey in Institute. All I need to say is that Brilliant turned me into a new life. I prefer Brilliant as the right choice for all who have dreams.

Akhil Krishna

APRAISAL OF STUDENTS

Ganga Meghanath
JEE Advanced AIR - 1904
Joined in IIT Madras -
Mechanical Engineering

My self Ganga Meghanath. I joined Brilliant Study centre Pala, after completing my 12th boards, for repeating. It had been the best decision in every way. The faculty there have been most supporting. Even when I was under tension, or stress, they have always been there for me. The class lectures have proved to be most useful for me. They have helped me in various competitive exams.

The teaching pattern and class notes, regular tests, study materials, that of Resonance too, have not just helped me with IIT-JEE, but also for other competitive exams like JEE Main, KEAM, CUSAT, BITSAT etc. The weekly exams, monthly exams etc. have been most useful... and to know the results within hours of writing the exam and specially the series of exams they conduct when the real exams are near... most useful and it has always helped me get past my fears and tensions, and I sure hope that all my dear juniors know that you get the best results from the exams you write with no tensions and worries.

Brilliant has helped me clear the toughest exam that I have faced till now in my life, and I would always be most thankful to them.

Ganga Meghanath. *Gang*

ABOUT PREMIER INSTITUTES

IITs (Indian Institutes of Technology) & ISM (Indian School of Mines)

The IITs are autonomous public institutes of higher education, located in India. The Institutes of Technology Act, 1961 declared them as "institutions of national importance." There are nineteen institutes located at Chennai, Delhi, Guwahati, Kanpur, Kharagpur, Mumbai, Roorkee, Bhubaneswar, Gandhinagar, Hyderabad, Indore, Jodhpur, Mandi, Patna, Ropar, Varanasi, Palakkad, Thirupathi and ISM Dhanbad, which offers B.Tech.M. Tech, M.Sc., MA, MBA and Bachelors-Masters dual Degree in Technology and Science. Admissions to Bachelors and Dual Degree programs are by JEE-Advanced scores.

IIST (Indian Institute of Space Science and Technology)

The IIST is a government-aided institute and deemed university for the study and research of space science, set up by the Indian Space Research Organisation (ISRO) under the Department of Space, Government of India. It offers regular engineering undergraduate, postgraduate and doctorate programmes with focus on space science, technology and applications. The admission to the B.Tech programmes are from the JEE-Main rank list.

BITS (Birla Institute of Technology & Science)

BITS is an Indian institute of higher education and a deemed university focuses primarily on undergraduate education in engineering and the sciences. It is widely known as the best private engineering institute of India. BITS has established centres at Goa, Pilani, Hyderabad and Dubai. Admission to BITS is through the all-India computerized entrance examination, BITSAT (BITS Admission Test).

NIT (National Institute of Technology)

The NITs are a group of public engineering colleges of India, comprising thirty autonomous institutes, located in one each major state/territory of India. NITs offer degree courses at bachelors, masters, and doctorate levels in various branches of engineering and technology. All NITs are autonomous which

enables them to set up their own curriculum. Admission to NITs was done by Joint Entrance Examination Main (JEE Main) conducted across India.

IISc (Indian Institute of Science)

The IISc a leading of higher learning with a strong tradition of research for over a century, has opened its portals to undergraduate students by introducing a four year Bachelor of Science (Research) Programme in 2011. The programme is designed as a blend of core science and interdisciplinary topics that will serve as a launching pad for attractive career opportunities in academia and industry. The following major disciplines are available in the bachelor of science (research) programme. Biology, Chemistry, Earth & Environmental Science, Materials, Mathematics, Physics Selection process based on the results of KVPY, JEE Main, JEE Advanced, AIPMT.

IISER (Indian Institutes of Science Education and Research)

The IISERs are a group of most premier science education and research institutes in India. There are seven IISERs established across the country, namely IISER Kolkata, IISER Pune, IISER Mohali, IISER Bhopal, IISER Thiruvananthapuram, IISER Tirupati and IISER Berhampur. Students qualifying any of the following examinations will be eligible for admission:

1. Kishore Vaigyanik Protsahan Yojana (KVPY)
2. IIT-JEE(Advanced) - Those who feature in first 12000 rank.
3. State and Central Boards (top 1% in each board in class 12th are eligible for admission test.)

CMI (Chennai Mathematical Institute)

CMI is a research and education institute in Chennai. It was founded by the SPIC Science Foundation and offers undergraduate as well as postgraduate programmes in Physics, Mathematics and Computer Science, besides its key strength in the form of high-end research in Mathematics. CMI is noted for its research in the field

of algebraic geometry. Admission to CMI Undergraduate Programmes are through CMI Admission Test

8) NISER (National Institute of Science Education and Research) & DAE-CBS (Department of Atomic Energy Center for Excellence in Basic Science)

The NISER and DAE CBS are research institutions operate under the Department of Atomic Energy (DAE), Government of India. It offers a five-year integrated M.Sc. and Ph.D. degrees in pure and applied sciences. The admission to the 5-year Integrated M.Sc. programme in basic sciences - Biology, Chemistry, Mathematics and Physics - at NISER, Bhubaneswar and UM-DAE CBS, Mumbai is through the National Entrance Screening Test or NEST.

ISI (Indian Statistical Institute)

ISI a unique P. C. Mahalanobish institution devoted to the research, teaching and application of statistics, natural sciences and social sciences. The Headquarters of ISI is located in the northern fringe of the metropolis of Kolkata. Additionally, there are four centres located in Delhi, Bangalore, Chennai and Tezpur. Research in Statistics and related disciplines is the primary activity of the Institute. Teaching activities are undertaken mainly in Kolkata, Delhi and Bangalore.

Admission to the academic programmes B.Stat. Hons. (3 year), B.Math. Hons. (3 year) of the Indian Statistical Institute is based strictly on the merit of the candidates as judged from their performance in admission test and interview.

IIM (Indian Institute of Management)

The five-year Integrated Programme in Management (IPM) is the first of its kind in India, launched by IIM Indore in 2011. It is a unique and creative programme meant for young students with managerial and leadership aspirations. Through the IPM, IIM Indore seeks to attract young students, and mould them as outstanding leaders through a world-class education. Admission to IPM is based an entrance examination follows, to test the applicant's aptitude, logical reasoning and proficiency in English and Mathematics.

UCEED (Undergraduate Common Entrance Examination for Design)

The UCEED will be conducted by Indian Institute of Technology (IIT) Bombay under the guidance of the UCEED Admissions Committee. UCEED is open to all nationals (Indian/Foreign). Candidates seeking admission to the Bachelor Degree programme in Design (B. Des.) at IIT Bombay and IIT Guwahati should appear in UCEED 2016. To apply for admission to the B. Des. programme at IIT Bombay and IIT Guwahati, a

candidate is required to qualify in UCEED as well as satisfy the Minimum Educational Qualifications (MEQ).

IIITs (Indian Institutes of Information Technology)

IIITs are a group of institutes of higher education in India, focused on information technology. They are established, funded and managed by the Ministry of Human Resource Development.[1] Indian Government is likely to approve the Indian Institute of Information Technology (IIIT) Bill that seeks to give IIITs administrative autonomy and uniformity and set up 20 more such schools on a public-private partnership (PPP) model. Admissions into undergraduate programmes in IIITs are through the Joint Entrance Examination JEE Main. Joint Seat Allocation Authority conducted the joint admission process for a total of 18 IIITs.

NDA (National Defence Academy)

The National Defence Academy (NDA) is the Joint Services academy of the Indian Armed Forces, where cadets of the three services, the Army, the Navy and the Air Force train together before they go on to pre-commissioning training in their respective service academies. The NDA is located at Khadakwasla near Pune, Maharashtra. It is the first tri-service academy in the world. Applicants to the NDA are selected via a written exam conducted by the UPSC, followed by extensive interviews covering general aptitude, psychological testing, team skills as well as physical and social skills, along with medical tests.

IMU (Indian Maritime University)

The Indian Maritime University (IMU) is the only university in the country imparting education in the maritime field. It has an All-India jurisdiction and the headquarters is at Chennai. It has campuses at Chennai, Kolkata, Mumbai, Visakhapatnam, Cochin and Kandla Port.

JEE MAIN & ADVANCED

JEE-Main is a common entrance examination for admission in various engineering colleges and courses all over the country. The admission for B.Tech Programmes in IIST (Indian Institute of Space Science and Technology), NITs(National Institute of Technology), IIITs(Indian Institute of Information Technology), CFTIs (Central Funded Technical Institute), IIST(Indian Institute of Engineering Science and Technology) Birla Institute of Technology (BIT) etc. are through this examination. JEE-Main Exam has two papers, Paper-1 and Paper-2. Candidates may opt for either or both of them. Both papers contain multiple choice questions.

- ▶ Paper-1 is for admission in B.E./B.Tech (online and offline).
- ▶ Paper-2 is for admission in B.Arch and B.Planning (offline only).

Students who qualify JEE-Mains can appear for JEE-Advanced examination. Candidate should be among the 'Top' 2,00,000 (including all categories) by scoring positive marks in paper I of JEE (main). JEE-Advanced is for admission in Indian Institutes of Technology (IITs), and Indian School of Mines(ISM). There are some colleges like IISc, IISERs, RGIPT and others which use score of JEE Advanced for admission. A Candidate is allowed to write JEE (Advanced) examination for a maximum of two times; that too consecutively.
