COURSE DESCRIPTION

Brilliant Study Centre Pala proudly announces the commencement of admission to the Two Year Long Term Batches. These batches are intended for those students who have appeared or appearing for Class X Exam in 2026 and who are eager to become super achievers. Accordingly our target is NEET, JEE, CUET, KEAM, Other National & State level Entrance Exams. This course also gives equal weightage to plus one and plus two topics. Hence the students of this course will get deeper knowledge of science topics so that they can score very good marks in Board Exams as well as commendable ranks in various entrance exams. There are three modes of batches for these course namely

1) Long Term Online Batches (English Medium & Malayalam cum English Medium Batch) 2) Long Term Hybrid Offline Batches 3) Long Term Special Offline Batches

1. LONG TERM ONLINE BATCHES

These classes are envisaged for those students who are studying in schools far away from the centers of Brilliant. Those students who are not able to join our class room coaching and studying in schools anywhere in the globe can join the online course.

Overseas students can collect the study materials from any of the Kerala Centres of Brilliant study Centre Pala. If requested, the study materials may be sent through courier and the students can collect the same at their own risk. PDF form of the material is available at our site when the classes begin and the student can download it for their use.

There are two types of online super batches which are explained below.

A. English Medium Batches

These batches are primarily designed for non- Keralite students. However Keralite students can also join. There are no structural difference in these batches except the medium of classes are in only English.

B. Malayalam cum English Medium Batches

These batches are primarily designed for Keralite students. The medium of instruction is a combination of English and Malayalam. The concepts will be explained in Malayalam also. However, the questions in the study material is in English only.
