COURSE DESCRIPTION

This is a one year Long Term Programme designed for science students completing class X1 in 2026. Students now studying in class XI can either opt for Online only or Hybrid mode, the details of which are given below.

ONLINE PROGRAMME

These batches are designed such that second year topics will be covered through Online classes. Periodic test papers and doubt clearance sessions will also be conducted through online mode. A special feature of this course is that the students can attend these classes from anywhere in the globe

OFFLINE PROGRAMME

The batches are designed such that the topics will be covered through offline mode. There are offline centres across Kerala and the students can select a centre convenient to them. The offline classes are expected to start in the end of April 2026
